Year 12 complete their HSC Examination

The last HSC examination was held today, Friday 8 November. Typically, students experience a feeling of relief that the stressful period of study and examination sitting is over. A concomitant feeling can also be one of sadness as a six-year slice of their lives comes to a close. Year 12 portfolios are available from my office on proof of a completed electronic Clearance Form, where one is required. For example, texts or textbooks retained during the examination period. We wish all our graduating students a very relaxing few months before their university course or gap year commences.

Electives Process for Year 9 Boys going into Year 10

Students make an initial free choice with their electives. They are also asked to rank their choices so that if they do not get one, they will be considered for the next ranked choice. Many boys have shown interest in robotics, code-based game development and the online learning elective (OLE). Many others have aspired to accelerate in a particular subject. For those attracted to acceleration, a process is in place to apply and have applications assessed. For Robotics and Game Design, Ms Dam culls applicants based on their demonstrated mathematics proficiency and previous interest in IA subjects. Usually, a D in Mathematics is a minimum requirement for entry into robotics or game design. Boys who applied for both will be allowed to do only one of these subjects. For the OLE, students need to have an interest in autonomous learning, a proficiency in using excel spreadsheets and to have a rank of 100 or better to qualify. Raw scores submitted by HTs are used to calculate the dux of the Year group, using z scores, and to rank all students. I cull the **accelerant applicants**. The criteria are academic in nature. Students apply to Head Teachers who send the forms of recommended applicants to me for assessment. Students have to be above average across their subjects at the Year 9 yearly examinations. They have to have

a HD or D in the subject area in which they wish to accelerate. The **cut-off rank for accelerants is 75**. On rare occasions, highly talented students in just one subject area may be considered if they fall just outside of the cut-off rank. Year 10 electives are designed for students to branch out and test their interests before settling into stage 6 study. Some of these electives are **competitive entry** subjects. Students need to choose carefully and follow their interests in a low stakes learning environment but may not always get what they want.

Remembrance Day 11.11.24

Remembrance Day (formerly Armistice Day) commemorates the service of all those who fought in wars in our country's name. The ending of World War 1, then the most costly war in human history in terms of military and civilian lives lost, was seen as a most appropriate date, being the eleventh hour of the eleventh day of the eleventh month. The horrors of World War 1 were so severe that the victorious nations, rather naively, labelled it 'the war to end all wars.' Sadly, the international inability to resolve its conflicts peacefully and fairly has led to even more horrific global warfare since 1918. We like to celebrate Remembrance Day as an inclusive event. In our multicultural society, many of our citizens have fought in various wars and grieve for those who died from their extended families.

Our contemporary society has not shown any more skill or resolve to negotiate an end to two significant wars being fought in the Ukraine and Gaza-Lebanon-West Bank. On Remembrance Day we should take the time to consider the cost and ultimate futility of using warfare as a means of settling disputes among nations. The ubiquitous poppy, growing wild in Flanders Fields, is an historically significant symbol of the sadness of the loss of human life on those battlefields. Today, we wear poppies to remember the fallen and to be seen to remember them. Schools hold assemblies to take a minute's silent reflection on the consequences of armed conflicts everywhere.

Scholarship Applications

There is only one week left for students to apply for the *Phillip Day Memorial* and *Sir Roden and Lady Cutler Foundation Scholarships*. If you have financial needs due to family or special circumstances; if you are a great all-rounder; or if you have a special talent that needs extra resources to help you develop; or if you are going into Year 11 and you have a strong background in community service, please consider applying. Scholarships are valued at \$1500 in school credit per year. Application forms can be downloaded from the school website:

www.sydneboyshigh.com/scholarships

Applications close Friday November 29.

Team Through to The Grand Finals!

Tuesday 5 November, our Junior Theatresports team consisting of Brishen Xue, Jason Huang, Marco Ma and Ilyusha Tsoutsman competed in the Theatresports School Challenge competition.

Ten schools competed at St Andrew's Cathedral school with the top two teams going through to the grand finals.

This is a wonderful result for the team who have been so focused and highly creative in their choices.

Thank you to coaches Nat Jensen and Cameron Ryan who have supported the boys to achieve their best.

All families are welcome to join the team as they compete at the highest level, Tuesday 19 November at St Andrew's Cathedral School. Congratulations boys!

The Entertainment Book

The Entertainment Book continues to be on sale this year, raising funds for the school. There is a current promotion being run for a limited period, where purchasing a Single City Entertainment Membership will provide you with a bonus upgrade to Multi City and a \$30 Visa Gift Card.

BENEFITS

For those yet to experience the benefits of The Entertainment Book, it's offered in a digital form using their easy-to-use app so that:

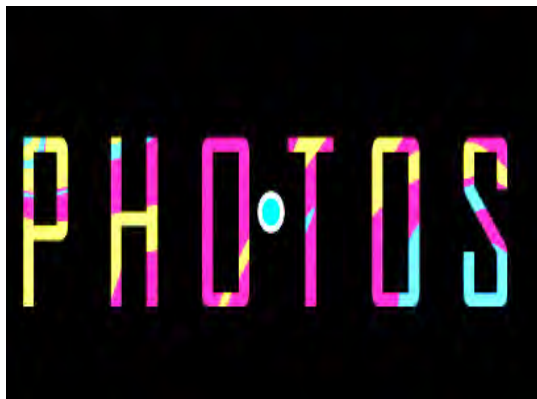

- ✓ You don't need to carry around a book.
- ✓ You get access to it almost immediately – just download The Entertainment Book app.
- ✓ You can easily see on a map all the eligible restaurants and activities, e.g. cinemas around your current location or in a specific area.
- ✓ You can easily look up if the restaurant you are currently eating in has a discount before paying the cheque.
- ✓ You can share it amongst a few people with access on up to FIVE devices to use any time they're out.
- ✓ Memberships are now valid for 12 months from date of activation.
- ✓ You can monitor how much use you're getting out of it to easily see your savings.

The cost is \$70, with 20% of all sales going to the school:

Only two or three nights out throughout the year will easily recoup the initial cost. So, if you're interested in helping the school out while making some big savings, use the following link to order your copy:

Our SBHS Canteen is uniquely internally operated by our dedicated Canteen Managers and Canteen Committee, allowing us to provide flexible, healthy food options that adapt to changing tastes and seasons.

Our students delight in a diverse selection of freshly prepared meals each day, thanks to the incredible efforts of our Canteen staff and the wonderful support of our volunteering community. For those who haven't visited our Canteen before, we encourage you to sign up for any available slots this term - it's a fantastic and fun opportunity to directly make a positive impact and connect with our school community. Thank you to all the Prefects and SRC leaders who have given up their recess and lunch to assist with window service - your help has been invaluable!

Recently, our Canteen treated the boys to some scrumptious, spooky highlights for our Halloween Special Day, featuring Eirini's 'ghoulicious' chocolate brownie cake, and Vivian's 'bewitchingly boo-tiful' beef buns with karaage chicken 🎃!

Held at the end of each term, the SBHS Canteen Volunteers Lucky Draw scheme offers five \$10 vouchers as a token of appreciation to our wonderful volunteers.

Our third draw of the year took place at the end of Term 3. Congratulations to our winners: Cathy Wang (7S), Annie Wen (8M), Grace Guan (10F), Xialin Qiu (10E), Wei Chen (10F). A heartfelt shoutout to all our amazing volunteers who help ensure our boys enjoy freshly prepared, nutritious meals each day!

With the December 8 deadline fast approaching, we kindly ask if all our wonderful volunteers could please spare some time to complete either the NSW Food Authority's Food Handler Basics training course, or Victorian Health Authority's translatable 'DoFoodSafely' course. Both are free, online, and can be completed in less than an hour. This would greatly assist the Canteen Committee with compliance preparation for Standards 3.3.2A of the Australian New Zealand Food Standards Code. Please email certificates of completion to sbhscanteenvolunteers@gmail.com for record-keeping.

For those who are unable to complete the course, please stay tuned for a condensed training presentation that will cover food safety knowledge relevant to our SBHS Canteen, to be released later this month. Thank you all for your continued support!

The SBHS Canteen Committee Annual General Meeting will be held at 6:30 pm Wednesday, November 20, 2024. All Committee positions will be open for re-election, and we welcome new members from the school community to get involved. If you're interested in learning more about available roles, please reach out to any admins on the SBHS Canteen Volunteers WhatsApp group.

For those interested in the Canteen President position, this will be decided at the SBHS P&C General Meeting and AGM on Monday November 11.

Please apply for this role via:

Music NOTES

End of Year Music Concert and Music Awards Assembly

We look forward to everyone joining us at our end of year music ensembles concert **Sunday 8 December 12pm** at The Governors Centre.

On **Monday 9 December**, we will host our Annual Music Awards Assembly in **The Great Hall 9:30am**, recognising all the wonderful efforts and achievements of our ensemble students in the Music Performance Program.

Marching Band Rehearsal

Marching Band members had a 2-hour rehearsal last Friday going through the music repertoire for Anzac Day next year and marched on Moore Park West to solidify formation and drills. We will have one more session on **Tuesday 19 November**, where we will wrap up the year. The boys are expected to have the music memorised at the start of term one as we will focus on marching whilst playing. Please collect your music from 201 or access the scores in Canvas in the MPP Marching Band file.

Music Ensemble Rehearsal ATTENDANCE

Students in years 7-9 (inclusive) are expected to attend music ensemble rehearsals during exam weeks, only seniors are exempt as they do not attend regular classes during their exams. Please ensure you attend every rehearsal and are ready to start at the beginning of each session.

Music Instrumental Storeroom

A reminder to ALL students, please ensure you place your instruments in the designated instrumental areas in the music storeroom. Please leave a clear pathway in the middle for easy access, as instruments left lying on the floor present a trip hazard.

Grammar Regatta Report

The past week has been eventful for the Senior rowers of Sydney High. Last Saturday, Senior A and the 1st Year 10 VIII competed at SIRC for the Sydney Grammar School regatta, the first race of the 2024-2025 AAGPS rowing season.

Most crews faced challenges heading into their races, having to deal with injuries and absences with many substitute rowers having to step up. Despite this, it was pleasing to see such great camaraderie among all rowers.

Congratulations to all crews for completing their first race, especially to the Year 10 1st VIII, who raced over 2 kilometres for the first time, having previously only raced 1 kilometre in the Year 9 quads.

Special mention goes out to the formidable "Oarsome Foursome" - the 1st IV, who beat the Sydney Grammar 1st IV in both races, with considerable margins of 30+ seconds. Well done boys!

To the senior rowers who may be disappointed with their times, I remind you that this is only the beginning, and the only way we can go now, is UP.

I also want you to remember this feeling of disappointment and use it to remind yourself that you do not want to feel it again.

As the old saying goes, "Rome wasn't built in a day, but they worked on it every single day".

SHOOTIN' HOOPS

Shooting Hoops Report

Our opponents this week were none other than Sydney Grammar. Close matches were fought, and hard matches were won. Our rivals from across the city, but unfortunately, due to the poor weather conditions, many games were cancelled. Games were set on Grammar's outdoor courts, almost every single team that played emerged as winners or came extremely close to winning. It was a resounding performance from all the teams this weekend, whether it was a win or loss. Congratulations to all basketball teams for their amazing accomplishments.

The mighty 1st Grade ripped away at Grammar, snatching and fighting hard for the win, only being down a few points. Jeffrey Qiu had a stellar performance, dropping 20 points on Grammar's head and the rest of the team performing exceptionally well. However, the 1sts only came shy of a great victory, losing 59 - 65 at home. The 2nds had victory slip out of their hands in their tough match. Losing by only four points, they are sure to win against Grammar at their next game with each other. 3rds and 4ths had terrific matches, though not without effort and camaraderie. A neck and neck game between our 3rds and Grammar's was pushed until the end, with High hailing as the victors of this tiring match. 4ths secured an unbreakable lead, battling hard to ensure no gaps in their success. These marvellous results continue to the 5ths and 6ths. 5ths, thanks to overall strong defensive hustle kept the score low and safely won with a five-point lead. Before them were the 6ths, up early in the morning and doubling Grammar's score through a tremendous team effort. All the opens that played had exceptional results which we hope to continue moving forwards.

Moving onto the younger years, who have achieved excellent fixture results likewise to previous weeks. The 16A's had another close game, that unfortunately was a loss. They played a strenuous match, Grammar had seized the lead of, precipitating a small two-point loss when just shy of victory. 16D's, E's and F's once again continue their streak of winning this season. The 16D's cruised along their match, holding up a strong defensive and offensive power until the buzzer.

16E's snatched the win for High in a close two-point game, pushing on until the end. The F's undoubtedly hammered their way through Grammar this Saturday. They achieved a final score of 46 - 16, almost triple of Grammar's! Their game is a superb representation of splendid teamwork. The 14F's, defeating their opponents by a whole 17 points, more than doubling their score. Though playing in the rain, they still managed to do well against Grammar and hold up our slogan, "Hammer Grammar".

15s KO came in the top 6th at the CHS State championships. Terrific result considering the injuries to a lot of players.

Lastly, I would like to thank our MIC Mr. Hayman for his consistent work into the basketball program. Our success is only as great as the people who help us reach it and without Mr. Hayman, High would not have been able to achieve such overwhelming success in basketball in recent years. We hope that you can continue to help us accomplish great things during your time as MIC of basketball.

Goodluck to all players and teams as we continue to play this season.

Teams of The Week – 14A's

Round 3 saw the 14A's take on our fiercest rivals, Grammar. We won the toss and chose to bat first on a cloudy and wet day. Anish and Tavish started brilliantly, scoring 50 in 10 overs before a small interruption due to rain. When play resumed, the pair continued ticking the scoreboard with both Tavish and Anish reaching 35 each. However, in the span of 2 overs, we lost Tavish, Saharsh, and Anish, leaving us reeling at 80/3.

Vihaan joined Rohan as they attacked Grammar's spinners. Rohan scored a quickfire 22 before being stumped out. Arjun entered the crease when we were 100/4 with 10 overs to go. Vihaan and Arjun crafted a masterful partnership, going after Grammar's bowlers and accumulating an 80-run partnership with Vihaan getting an excellent 50 and Arjun a wonderful 33. We finished off the innings with 181/4 in 28 overs.

Arjun and Vihaan continued their excellent partnership with the ball as well with their opening spell reducing Grammar to 15/1 after 6. When the batsmen started to accelerate, Imaan and Krishna restricted Grammar beautifully. Grammar's middle order scored some quick runs, but Adi and Tavish brought it back nicely with crucial wickets. Anish and Arjun came on for the last 6 overs with Grammar still needing 60 off the last 6 overs. They were extraordinary and composed, as they helped us restrict Grammar for a 7-run victory. With this thrilling win, we are 3 from 3 and look forward to our next matchup against Joey's.

Saharsh Subramanian
14A's Captain

Teams of The Week – 15B's

After a win at St Ignatius', the 15Bs were up against Grammar. Having won the toss, we elected to bowl first. Shoummo took a key early wicket, and we saw Grammar at 1/14 after 4 overs. We brought on the spinners, but Grammar took advantage of the moist pitch and increased their run rate. A bit of sloppy bowling and fielding helped Grammar accumulate 90 runs. Then, a great runout taken by Deep saw their run rate slow down. After a few good overs and wickets, the Grammar innings ended with a daunting total of 119/6 after 20 overs. The openers Lokesh and Shoummo were looking to create the foundation for our chase. However, after some unfortunate wickets we found ourselves reeling at 5/28. Araf and Deep stepped up to the occasion and contributed 41 for a crucial 6th wicket partnership. The duo was hitting boundaries left and right, bringing us up to the required run rate. After Araf holed out, Ahmed came in looking to finish the game off. A key 46-run partnership between Deep and Ahmed brought the total to 115. Deep was then dismissed, after having amassed an impressive total of 46. Tahmeed and Ahmed kept their cool and got us over the finish line with just 7 balls to spare. We have 2 wins from 3 and are hungry for more!

Lokesh Paditham 8R
15B's Captain

Teams of the Week – 16B's

After losing the toss and having to bowl first, our opening spell of Vivaan and Sadakat, managed to keep a tidy start. In the 5th over, Sameer managed to get the breakthrough with a brilliant caught and bowled. Within a few more overs, another wicket fell as Aryaman was bowling well and was unlucky not to pick up a wicket off a tough catch in slips. Aryan managed to recover the ball after it was dropped and kept his composure to get a great runout. Just before drinks, at the 12 over mark, Aarav managed to find the inside edge of the batsman which landed safely into the gloves of our keeper, Aryan. In the final 8 overs we rounded off their innings, with some tidy bowling from Dhuryah, and had a target set of 109 in 20 overs.

In the chase, our openers Aarav and Om got us underway with some positive batting. Unfortunately, Om got out to a run out around the 5th over. With the fall of our first wicket Sameer came to the crease maintaining his crease and building a partnership with Aarav. They looked to keep a steady run rate until the 10th over where they would then accelerate. In the final 10 overs, 70 runs were needed, and impressive knocks from both Aarav and Sameer, 55* and 32* respectively, got us over the line for our 3rd win in 3 games. We look to continue our winning streak as we face Joeys next.

MIC Report

Our 1st and 2nd XI sides and 14B sides came up against some strong opposition vs Grammar on Saturday. All our other teams either lost in tight matches or won their games last Saturday. SBHS U/14A and 16B are both undefeated in the GPS Competition. Our 15B side is improving all the time.

Our annual school exchanges are coming up soon. The Barberis Cup Team head to Melbourne Sunday 17 - Wednesday 20 November.

The East Coast Cup vs Brisbane State High Carnival starts Monday 25 November-Wednesday 27 November. The 5High Team has been selected and arrive in Brisbane Sunday 1 December for the five-day tournament.

Good luck to all our cricket team's vs St Joseph College this weekend.

SAILING

HIGH SAILING

Overview

While getting back into sailing over the past few weeks we have battled some tough weather conditions which have been a great challenge to overcome. We have been refining our starts, practising building up our speed at the beginning of races and polishing our tacking and gybing.

Wednesday Sailing

On Wednesday we faced super heavy winds, up to 20 knots, which acted as a great challenge for the boys, and helped us practise our high wind sailing techniques. We focused on upwind and downwind sailing and most boys fared surprisingly well considering the difficulty of the conditions. Although it should be noted that a few capsizes did occur, however all managed to recover quickly.

Saturday Results

On Saturday our fleet racing squad performed in quite unusual weather. With the wind constantly shifting and sudden lulls appearing, it made it difficult to sail proficiently. However, our boys persevered and ended up quite successful in the races. Some of our racers ended up first place in a few of the events.

Our teams racing faced extremely low winds, as the weather died down during midday. With winds as low as 3-4 knots it became extremely difficult to set up on starts and build up speed, especially while going upwind. Regardless, throughout our races we improved and managed to perform quite well.
